

Product Specification

Sensor Downlight
PIR 9w Ø111mm

WITH SENSOR

Product Features

- 9w
- 3 Colour Adjustable (3000K/4000K/5000K)
- Supplied with Multi-Function Remote Control
- Works in any ambient light conditions
- 100° Beam Angle
- Ø111 x 32mm
- 90 – 95mm cut-out
- IP20
- 0.6m Flex cable and plug included
- Weight: 250g

Remote Control Features

- Turn Light On or Off
- Change Colour Temperature and Adjust Brightness
- Turn PIR On or Off
- Adjust Hold Time, Ambient Brightness and Sensor Sensitivity
