

# RDL clip-on brushed chrome trim

Model: RDL-TRIM

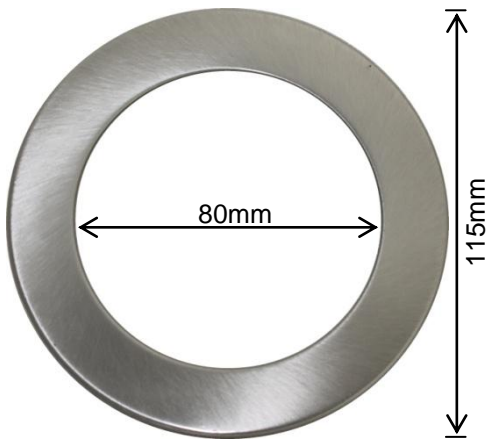

With the easy to use clip-on trim it makes it simple to change the RDL-1090-3C-W down light to a brushed chrome finish without having to purchase a new light. Don't like the look after a few years and your customer can remove the trim to bring it back to white.

Made out of stainless steel, the trim can be painted in any colour to match custom ceilings, alfresco areas etc.
