

4FT ECOBAT-WP Weatherproof Batten – Microwave Sensor

Product Features

- 40w
- 4FT (1200mm)
- 3 colours in one: 4000K, 5000K, 6000K (switch select)
- Built-in Microwave Sensor with 3-step dimming function (on-dim-off)
- Sensor settings are set using the optional remote control
- Retains last setting by remote control
- 110° Beam Angle
- ABS Base with PC Lens
- 1270 x 116 x 74mm
- IP65 Housing
- IK07 Impact Rating
- Weight: 1.28kg

Options:

Remote Control

3 Colour Adjustable

Specification Overview

Model	Power	Power Requirement	Colour Temp	Lumens	Beam Angle	Trim Colour	Dimensions
ECO-WP-4FT-3C-MR	40w	200~240VAC	4000-5000-6000K	3951~4212lm	110°	Grey/Opal	1270x116x74mm
WP-MS-REMOTE	RF Remote Control for microwave sensor setting						

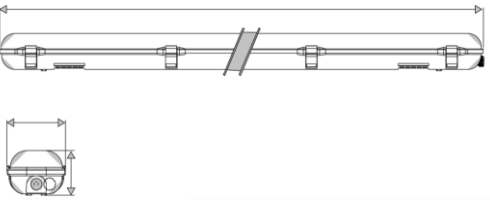

Product Specification

4FT ECOBAT-WP Weatherproof Batten – Microwave Sensor

Specification

Model	ECO-WP-4FT-3C-MR		
Colour Temperature (3CCT)	4000K	5000K	6000K
Lumen (lm)	3951lm	3968lm	4212lm
Efficiency (lm/w)	>105lm/w	>101lm/w	>117lm/w
Light Source	LED		
CRI (%)	≥80		
Beam Angle	110°		
Power Requirement	200~240VAC		
Power Consumption	37.48w	39.15w	36w
Dimmable	Yes by microwave sensor setting		
Housing	ABS Base with PC Diffuser		
Lifespan	>50,000 hours		
Operation Temperature	-20°C~+60°C		
Product Dimension	1270 x 116 x 74mm		
Impact Rating	IK07		
Weight	1.28kg		
Protection Rating	IP65		
Warranty	3 Years		

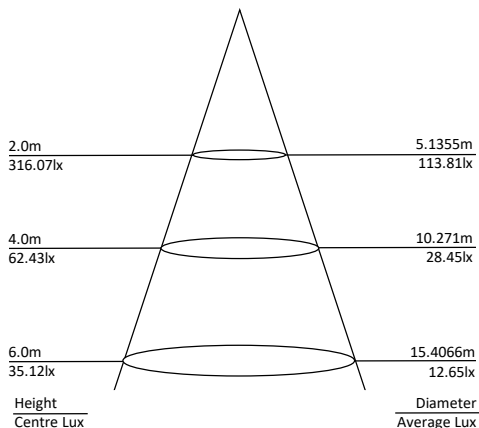

Options:

Remote Control
(Model: WP-MS-REMOTE)

The optional remote control is required to set the parameters for the microwave sensor. Only one remote is required for multiple lights.
