

4FT ECOBAT-WP Weatherproof Batten – Microwave Sensor & Emergency

Product Features

- 40w
- 4FT (1200mm)
- 3 colours in one: 4000K, 5000K, 6000K (switch select)
- Built-in Microwave Sensor with 3-step dimming function (on-dim-off)
- Maintained / Non-Maintained Emergency Fitting
- Sensor settings are set using the optional remote control
- Retains last setting by remote control
- 110° Beam Angle
- ABS Base with PC Lens
- IP65 Housing
- IK07 Impact Rating
- Weight: 3.28kg

Options:

3 Colour Adjustable

Specification Overview

Model	Power	Power Requirement	Colour Temp	Lumens	Beam Angle	Trim Colour	Dimensions
ECO-WP-4FT-3C-MR-E	40w	200~240VAC	4000-5000-6000K	3951~4212lm	110°	Grey/Opal	1270x116x74mm

WP-MS-REMOTE

RF Remote Control for microwave sensor setting

Product Specification

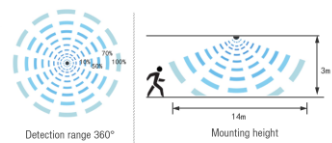

4FT ECOBAT-WP Weatherproof Batten – Microwave Sensor & Emergency

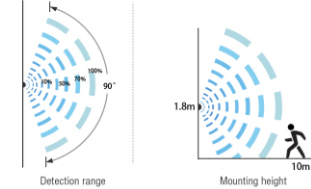

Detection coverage-General

Ceiling Mounted

Wall Mounted

Options:

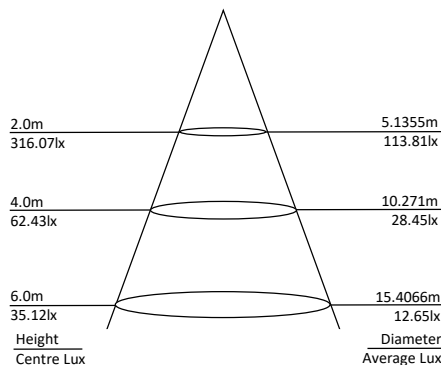

Remote Control
(Model: WP-MS-REMOTE)

The optional remote control is required to set the parameters for the microwave sensor. Only one remote is required for multiple lights.

Microwave Sensor Fitting
(Model: ECO-WP-4FT-3C-MR)

Specification

Model	ECO-WP-4FT-3C-MR-E		
Colour Temperature (3CCT)	4000K	5000K	6000K
Lumen (lm)	3951lm	3968lm	4212lm
Efficiency (lm/w)	>105lm/w	>101lm/w	>117lm/w
Light Source	LED		
CRI (%)	≥80		
Beam Angle	110°		
Power Requirement	200~240VAC		
Power Consumption	37.48w	39.15w	36w
Emergency Power	5w		
Emergency Run Time	90 minutes		
Dimmable	Yes by microwave sensor setting		
Housing	ABS Base with PC Diffuser		
Lifespan	>50,000 hours		
Operation Temperature	-20°C~+50°C		
Product Dimension	1270 x 116 x 74mm		
Impact Rating	IK07		
Weight	1.28kg		
Protection Rating	IP65		
Warranty	3 Years
